

HyperX Cloud Earbuds II Black

COMFORTABLE MOBILE GAMING AUDIO.

You don't have to wear a headset to take your gaming seriously. If you demand quality audio and convenient portability, the HyperX Cloud Earbuds II have got you covered. With 14mm drivers optimized for mobile audio, you'll have a great listening experience whether you're gaming, watching videos, or listening to a good audiobook or podcast. 4 sets of redesigned ear tips will help ensure you get the right fit for your ear. The Cloud Earbuds II also feature a low-profile 90° cable to help you avoid snags, as well as a helpful hard carrying case. For busy multitaskers, the built-in microphone allows you quickly swap from mobile gaming to answering phone calls with a touch of the multifunction³ button. These versatile earbuds are compatible with PC¹, Nintendo Switch, Steam Deck™, and mobile devices² that use a 3.5mm connection.

Key features

Optimized for gaming and audio on the go

With immersive sound delivered by 14mm drivers, the Cloud Earbuds II are designed to enhance your listening experience, whether you're gaming, watching streams, or listening to a good book.

Hard shell case for easy portability and storage

The convenient carrying case makes it easy to pack and protect your earbuds.

Built-in mic and mobile multifunction button

Take calls or take command of your squad with the crystal-clear microphone. The multifunction³ button will allow you to quickly respond to a phone call or control your media on supported devices.

4 included ear tip sizes – Find your ideal fit

With 4 sizes of our redesigned ear tips ranging from large to extra small, you should have no problem finding the perfect fit for your ears.

Low-profile 90° plug to reduce snags

With a flat plug that resists twisting and tangling, and a low-profile angled plug, the Cloud Earbuds II deftly address most of the major hassles of wired earbuds.

Multiplatform compatible

The Cloud Earbuds II are compatible with PC¹, Steam Deck, Nintendo Switch, and mobile devices² that use a 3.5mm connection.
