Logitech®
V20 Notebook Speakers

Great sound and simple setup for your desktop.

Finally, get great audio from your laptop with the Logitech V20 Notebook Speakers. The USB port provides power and digital quality audio – no other cables necessary. Innovative dynamic headroom technology and 2" Max-X™ high-excursion drivers combined with 3" pressure drivers maximize bass response in a lightweight, portable design. Convenient multimedia controls provide easy access to track forward/back, play, stop, mute, and volume buttons that work with many software applications. A protective travel case organizes your cables and speakers.

Music as portable as your laptop

- USB provides power and digital quality audio – no other cables necessary
- Lightweight, for maximum portability
- High dynamic headroom circuitry for greater volume with less distortion
- 2" Max-X™ high-excursion drivers combined with 3" pressure drivers maximize bass response
- Multimedia controls support: track forward/back, play, stop, mute, and volume with many software applications
- Protective travel case organizes your cables and speakers
