

Slim Duo Gel Keyboard Wrist Rest - Red

Ergonomic comfort for low-profile keyboards.

K62442WW

Product Description

Professionals who use low-profile keyboards without proper ergonomic support may experience wrist strain and discomfort. This can negatively impact their productivity and overall comfort. The Slim Duo Gel Keyboard Wrist Rest offers a suite of innovative features that work in perfect harmony to help professionals work more comfortably and productively throughout the day. A gel-infused pillow supports the natural curvature of your wrists for proper positioning, while an innovative ventilation channel keeps your hands cool and dry while you type. The dual-tone color scheme brings a burst of color and personality to any workspace, and a soft, easy-to-clean finish ensures lasting durability and a pristine appearance.
