

Orbit 122

1080P Full HD Dash Camera with Blind Spot Mirrors

The Orbit 122 is a high-performance dash cam built-in a compact and sleek design to keep your view unobstructed. 1080P high definition recording captures clear footage even while travelling at high speeds. 2 blind spot mirrors are also included to give you more visibility of the road. A 120° wide viewing angle will capture more details of the road such as road signs and license plates. A G-sensor is built into the dash cam, so it can sense a collision and automatically lock the current recording, so it cannot be loop recorded over. An 8GB microSD card is included, so once installed, the Orbit 122 can begin recording immediately.

Full HD 1080P

The Orbit 122 records in 1080p full HD resolution. This will smoothly capture clear video in fast moving scenes.

2 Blind Spot Mirrors Included

In the package, 2 blind spot mirrors are included to give you the best visibility possible by enlarging your blind spots, giving you ease to change lanes and easily see what's behind you.

120° Viewing Angle

With a wider field of vision, you'll be able to capture more lanes of the road. You won't need to worry about missing those small details on the road such as license plates.

G-Sensor for Emergency File Saving

The G-sensor is a gravity sensor that will sense any collision, swerve, or hard braking, and automatically lock the current video so it cannot be loop recorded over.

Supports 32GB, 8GB MicroSD Card Included

A 8GB microSD card is included in the package, so you'll be set to install the Orbit 122 in your car and start recording. This device supports up to 32GB of external storage, around 5 hours of recording at 1080p.

Specifications

Resolution: 1080p

Image Sensor: CMOS Sensor

Display: 2" TFT

Video Format: .avi

FOV: 120°

G-Sensor: Yes

Motion Detection: Yes

Storage Memory: 8GB included (Supports up to 32GB)

Unit Dimensions: 2" x 1" x 2" in

Unit Weight: 0.25 lbs

Mount: Suction Cup

Interface: Mini-USB

Power Supply: 180mAh Li-ion battery embedded

Operating Temperature: 14°F~149°F / -10°C~65°
