CyberPower

MP1044NN
MULTI-PACK POWER STRIP

Power multiple devices from a single electrical source or outlet.

Perfect for powering small appliances and electronic devices, the MP1044NN Power Strip Twin Pack from CyberPower provides a pair of general-purpose power strips, each with six grounded, standard spaced outlets and a two-foot power cord. Each power strip allows multiple electrical devices to share a single AC wall socket. The 15-Amp circuit breakers prevent overloading.

Features for each power strip include an on/off switch, an integrated 15-Amp circuit breaker, and damage-resistant housing. The MP1044NN Power Strip Twin Pack comes with a one year limited warranty.

TYPICAL APPLICATIONS
