Your home
in **one app**

Peace of mind at your fingertips. Monitor, capture and share what is valuable to you

Nexxt Solutions introduces its new **Smart Home Automation Series**. Designed to suit your mobile lifestyle while building a safe environment inside and out your home, the brand seamlessly unifies into one user-friendly application a comprehensive line of fully integrated devices. From smart plugs, power strips, bulbs and cameras to security kits, you can now take control, schedule and run your own home devices, on your own schedule even when you are not there.

Our **smart PTZ Wi-Fi camera** is the ultimate security solution for your home. This smart camera keeps a vigilant eye on your home when you can't be there, day or night. Simply plug it into any AC outlet and connect it to your existing Wi-Fi network, *no hub required*. It streams live video directly to your smartphone in full HD 1080p and allows two-way conversations remotely through the app. Personalized alerts will be triggered every time motion is detected. Video recording and playback is possible via a local microSD™ card of up to 128GB. Compatible with Google Assistant and Amazon Alexa, you can now arm the camera with your voice for that extra peace of mind when you are home alone. With this versatile, impressive looking Wi-Fi camera, you can now see what's happening in your home when you're away.
