

EQ Laptop Backpack 16"

The more sustainable backpack.

K60392WW

Product Description

For business professionals and students looking for a backpack made from sustainable materials, the EQ Laptop Backpack is an ideal choice. Using 8.4 x 250ml plastic bottles, the backpack is made of 28.2% post-consumer recycled (PCR) polyester. Modern, lightweight, and comfortable, it accommodates laptops up to 16". The backpack includes a padded compartment for the laptop, a zippered front compartment for easy access to peripherals, and two side pockets for water bottles or an umbrella. Padded shoulder straps offer support for your neck and shoulders, and padded breathable mesh fabric provides more comfort for your back.

Features

- 28.2% of the overall product is post-consumer recycled (PCR) polyester.
- Provides everything a daily commuter needs in a lightweight backpack.
- Comfortable design eases strain on neck, back, and shoulders.
- Includes internal padded compartment for laptop, space for files and accessories, a front zippered compartment, and two side pockets.
- Includes 2-year limited warranty.
