

Guardian® 7-Outlet Surge Protector

K38217NA

Product Description

Trust Kensington to provide reliable surge protection for your valuable electronics like laptops and printers. With a 6-foot cord, the Guardian 7-Outlet Premium Surge Protector provides a traditional amount of length to plug in away from the wall outlet. Your outlet capacity expands with seven adapter-style plugs available on the power strip, with 540 joules of surge dissipation to protect your devices from damaging spikes. A green indicator light lets you know you're protected and there's also a \$10,000 equipment warranty.

Features

- Safeguard computer and equipment with 540 joules of surge protection
- Room enough to easily accommodate up to seven adapter-style plugs
- \$10,000 equipment warranty against damage from surges
- 6-foot power cord puts surge protection where it's needed
- Indicator monitors the surge protector to ensure full protection
- Reliability ensured with UL and CSA certifications and limited lifetime product warranty
