### Product Description

---

Laid flat or angled for customized comfort, this display delivers touchscreen versatility to the max. Offering fantastic flexibility for retail, education, or business settings, the ViewSonic® TD2430 is a 24" (23.6" viewable) Full HD display with 10-point multi-touch functionality. Delivering adjustable positioning, wide-angle viewing, and a durable design, the TD2430 has everything to accommodate your unique needs. Adding even more convenience, cross-compatibility with a wide range of operating systems includes Windows 10, and certain Android and Linux versions.\* With a sleek edge-to-edge screen and frameless bezel, this intuitive touchscreen performs like your favorite tablet or smartphone to deliver a highly accurate, ultra-responsive touch experience ideal for interactivity in public environments, kiosk and wayfinding applications, classroom settings, and more. \*Supports Windows 7/8/10, Linux 2.6.38 or later, and Android 4.0 or later.
