These compact, budget friendly, multi-function home printers use a 2-cartridge hybrid ink system that is designed to deliver sharp text and vivid colors and can quickly and easily print, copy and scan wirelessly² directly to or from your compatible computer, smartphone or tablet.⁴ These printers allow you to quickly print documents or photos on a wide range of media up to 8.5"x11", with or without borders.⁵

	PIXMA TS4320	PIXMA TS6520	PIXMA TR7120
Print Speeds¹	Up To 14 ipm In Black And 9 ipm In Color (4"x6" Borderless Photo Up To 39 Sec.)		
Functions	Print, Copy, Scan		
Connectivity	Wi-Fi ² , USB		
Auto 2-Sided Print Capability	Yes		
Scan/Copy Capabilities	Flatbed		Flatbed Or ADF (Automatic Document Feeder) With 35-Sheet Capacity
Canon Genuine Ink Cartridges	Pigment Black Ink (PG-295) And Dye-Based Color Ink (CL-286) (Available In Both Standard And XL)		
Print Subscription Compatible	PIXMA Print Plan / Auto Replenishment Service ³		
Control Panel	No	1.42" OLED Display	
Printer Size (closed) (WxLxH)	14.8" x 14" x 6.7"	14.8" x 14" x 6.7"	14.8" x 14" x 8.2"

SAVE UP TO 70% ON THE COST OF PRINTING WHEN YOU SELECT A MONTHLY PLAN VS. TRADITIONAL INK PURCHASE.³
usa.canon.com/printssubscription

Everything you need in an Inkjet printer.

Fast Print Speed

Print up to 14 black pages or 9 color pages per minute with your first print out in approximately 7.5 seconds in black or 9.5 seconds in color (Letter Size).^{1,14}

Mobile Connectivity

Print on-the-go with Canon PRINT⁴, Apple® AirPrint®⁸ and Mopria™ Print Service.¹¹

Auto 2-Sided Print Available

Automatically prints on both sides of a sheet without flipping and reinserting the paper.

Intuitive Control Panel

The control panel, with a 1.42" monochrome OLED display, is easy to use and lets you check ink levels, printer status, and change settings smoothly. (TR7120 and TS6520 only)

35 Sheet Auto Document Feeder (ADF)

Copy or scan multi-page documents with ease with the 35-Sheet letter size, 5-Sheet legal size Auto Document Feeder. (TR7120 only)

Crisp, Vibrant Prints

Experience impressive print quality for both documents and photos, thanks to its 2-cartridge hybrid ink system that is designed to deliver sharp text and vivid colors.

Effortless Setup & Use

Get started quickly with easy setup for your compatible smartphone or computer, so you can print, scan, and copy without delay.

Stylish Compact Design

With a neutral appearance and a space-saving size of only 14.8" (W) x 14" (L) x 8.2" (H) this printer can fit harmoniously in almost any home environment.

Print Subscription Compatible

Canon's PIXMA Print Plan delivers the ink you need when you need it. You just sign up, pick a plan and get a delivery.³

PosterArtist

PosterArtist⁶ is a poster creation software program designed to be used by all levels of users to help you create professional-quality posters, banners, and signage.

Support and Service

Canon U.S.A. takes pride in delivering customer satisfaction. Canon's friendly and knowledgeable Customer Service Team provides expert assistance for every level of experience, offering the support, peace of mind, and value you deserve. These printers come with a one-year limited warranty.⁷

DISCLAIMERS:

SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE. ALL VIEWSCREEN AND OUTPUT IMAGES ARE SIMULATED.

- Document **print speeds** are the averages of ESAT in Office Category Test for the default simplex mode, ISO/IEC 24734. Photo print speed is based on the default setting using ISO/JIS-SCID N2 on Photo Paper Plus Glossy II and does not take into account data processing time on host computer. Print speed may vary depending on system configuration, interface, software, document complexity, print mode, page coverage, type of paper used etc. See www.usa.canon.com/ipm for additional details.
- Wireless printing** requires a working network with wireless 802.11b/g/n/a capability, operating at 2.4GHz or 5GHz. Wireless performance may vary based on terrain and distance between the printer and wireless network clients.
- Savings amount will vary depending on the monthly plan chosen and does not apply to the **Pay Per Print plan**. The savings claim applies to the monthly print plans available and is based on the cost per print calculated on the page yield of 400 Black / 300 Color pages per ink cartridge set and cost of \$58.99 for a value pack of PG-260(XL) and CL-261(XL), the page yield of 300 Black / 300 Color pages per ink cartridge set and cost of \$55.99 for a value pack of PG-275(XL) and CL-276(XL) and the page yield of 400 Black / 400 Color pages per ink cartridge set and cost of \$75.99 for a value pack of PG-295(XL) and CL-286(XL) ink cartridges (using Canon Online Store prices as of October 2023). Actual page yield and cost per print will vary significantly based on content printed and other factors. Page yield is an estimated value based on Canon individual testing method using ISO/IEC 24712 test chart and continuous printing simulation with full set of ink cartridges after initial setup. See <https://www.usa.canon.com/internet/portal/us/home/products/groups/page-yield> for additional information regarding page yields.
- Requires an Internet connection and the **Canon PRINT app**, available for free on the App Store and at Google Play. Compatible with Apple devices running iOS® 11 or later, and Android™ mobile devices running Android 4.4 or later. Your device must be connected to the same working network with wireless 802.11 b/g/n/a/ac capability as your printer. Requires a compatible social media account and is subject to that social media account's Terms of Service. Certain exceptions may apply.
- Paper types NOT supported for **borderless printing** are as follows: Envelope, High Resolution Paper, T-Shirt Transfer and Photo Stickers. The maximum borderless printing size is 8.5"x11".
- The online version of **PosterArtist** requires a personal computer with Internet access and a compatible Canon printer. The service is not available on some operating systems or browsers. See usa.canon.com/PosterArtist for details.
- Warranty** programs are subject to certain conditions and restrictions. See www.usa.canon.com/support for details.
- AirPrint** functionality requires a compatible iPad, iPhone, or iPod Touch device running iOS 7.0 or later, and an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base station, or Time Capsule is not supported.
- The **Easy-PhotoPrint Editor** software requires an Internet connection and is compatible with the following operating systems; Microsoft Windows 10 (64-bit/32-bit), Microsoft Windows 8.1 (64-bit/32-bit), Microsoft Windows 7 SP1 (64-bit/32-bit), macOS High Sierra v10.13, macOS Sierra v10.12, Mac OS X El Capitan v10.11 and Mac OS X El Capitan v10.10.5. Minimum Windows and macOS/Mac OS X requirements are: 2GB of RAM and a monitor with 1024x768 resolution. The Easy-PhotoPrint Editor mobile application requires an Internet connection and the Easy-PhotoPrint Editor app v1.1.0, available for free on the App Store and at Google Play. Compatible with iPad Air2 (2nd Generation), iPad Mini 4 and iPhone 6s or later devices running iOS 10 or later, and Android mobile devices running Android 5.x or later. Certain exceptions may apply. The following file formats are supported: JPEG, PNG, HEIF (devices running iOS 11 and macOS v10.13 or later), DLP save data, Poster Artist export data, EasyPhoto+ export data, Easy-PhotoPrint Editor export data.
- ID Photo Print** requires a smart device with the Canon PRINT app installed and connected to the desired active wireless network to complete cableless setup.
- Requires Android mobile device with Android 4.4 operating system or later with the **Mopria Print Service** pre-loaded with that device and the compatible PIXMA printer on the same wireless network. The Mopria experience is also available on Android 4.4 mobile devices with a download of the Mopria Print Service from Google Play.
- Duty Cycle** is defined as the maximum number of printed pages for a single peak month.
- Optical resolution** is a measure of maximum hardware sampling resolution, based on ISO 14473 standard.
- Print and/or **copy speed** is based on internal testing. Print and/or copy speed may vary depending on the number of copies selected, as well as the settings for size, type, and orientation of paper, and whether two-sided is selected. In addition, first-print speeds may vary based on warm-up time and other restrictions.
- Requires an active smart assistant account linked and accompanying app enabled, the smart device and printer to be actively connected with permission to the **Canon Inkjet Cloud Printing Center**, and the required action(s), skill(s), or applet(s) available/enabled to the compatible printer. Voice commands cannot be displayed as text on **Amazon** smart devices with screens.
- Operation can only be guaranteed on a PC with pre-installed **Windows® 11**, Windows® 10, Windows® 8.1, Windows® 7 SP1.
- Internet Connection required during software installation. For full compatibility **macOS v11.7.6** or later is recommended.
- Some functions may not be available with these **Operating Systems**. Please refer to the manual or website for details.
- Functions and features may vary by printer model. Scanning requires **Chrome OS 89** or later.
- Canon Print Service** is a print plug-in for Android smart devices, which enables printing from Android v4.4 - v5.0 devices to many Canon printers via a Wi-Fi network.
- Requires an Internet connection and the **Creative Park app**, available for free on the App Store and at Google Play. Requires a active 'Canon ID' available for free, and subject to 'Canon ID' Terms of Service. Visit myid.canon for more information. Certain exceptions may apply.
- Product **box dimensions** may be measured in vertical box configuration.
- Print quality might be lower depending on the **operating environment**.
- Based on accelerated testing by Canon in dark storage under controlled temperature, humidity and gas conditions, simulating storage in an album with plastic sleeves. Canon cannot guarantee the longevity of prints; results may vary depending on printed image, drying time, display/storage conditions, and environmental factors. See www.usa.canon.com/chromalife100 for additional details.
