

SmartFit® Clamp-On Keyboard Drawer - TAA

Quickly and easily create a more comfortable typing position for your wrists and forearms.

K55407WW

Product Description

Create a more comfortable typing position for wrists and forearms, save space, and keep your work area clutter-free quickly and easily with the SmartFit® Clamp-On Keyboard Drawer. It installs in minutes without tools, and won't damage the surface. SmartFit® makes finding the right height adjustment for maximum comfort as easy as 1-2-3. Save time and installation (and uninstallation) expense by using sturdy metal clamps that fit desks and table tops up to 1.5" (4 cm) thick.

Features

- Sturdy, easy-to-install metal clamps require no tools or installation expense, and install in minutes. Fits desks up to 1.5" (4 cm) thick for solid, stable comfort.
- Smooth-moving rail with ample clearance accommodates everything from slim to mechanical to gaming keyboards, standard and vertical mice, and trackballs. No need to mount a slider under the desk.
- C-clamp design won't damage or mark desk or table surface.
- With SmartFit®, finding the right height for maximum comfort is as easy as 1-2-3. Simply match your hand size to the color on the provided chart, set the height to your color, and you're done.
- TAA-compliant, so it supports U.S. Federal Government purchasing protocols.
