SMALL FOOTPRINT, BIG IMPRESSION

It's a compact, value-priced sound system. And yet the Altec Lansing VS2420 packs an incredible wallop. Delivering crisp, clean sound from custom-engineered dual, full-range 2.5" speakers. You get surprising highs, mid-range and lows from efficient little satellites that take up a minimum amount of space on your desk. Controls are right on the front of the speaker. A handy headphone jack is right nearby, too. And there's even a secondary input jack that lets you connect your MP3 or CD player while still linked to your PC.

VS2420

High-quality stereo

Custom-engineered dual full-range 2.5" ported speakers deliver clean, full-spectrum sound with outstanding accuracy.

Quality bass

Patented dynamic EQ technology delivers quality bass without a subwoofer.

Small footprint

Compact satellite speaker design leaves plenty of room on your desktop.

Ultra convenience is built-in

Volume and tone controls are at your fingertips.

iPod / MP3 Player Jack

Connect your iPod, MP3 player, or CD player at the same time as your computer.

Headphone Jack

For private listening.
