

ClickSafe 2.0 Keyed Lock for Wedge-Shaped Slots

The Strongest Security for Dell Laptops and Tablets

K66638WW

Features

- Tough lock head that fits seamlessly into the latest Dell laptops and tablets with a wedge-shaped lock slot
- The ClickSafe® Security Anchor is installed into either the wedge-shaped lock slot or industry standard Kensington Security Slot. Then the ClickSafe lock head can be attached in a single click with one hand, providing an unparalleled combination of security and convenience for higher employee compliance.
- Hidden Pin™ technology is compatible across all of Kensington's latest locks and includes patented anti-pick technology, all part of our robust 5mm custom key management solutions that include Master Keyed (K66639M), Supervisor Keyed (K66639S) and Like Keyed (K66639L) options
- Carbon steel cable is cut-resistant and anchors to desk, table or any fixed structure
- Pivot and rotate cable provides superior laptop engagement
- Verified and tested for industry-leading standards in torque/pull, foreign implements, lock life cycle, corrosion, key strength and other environmental conditions
- Register & Retrieve™ program offers free and secure cloud-based key replacement
