Product Description

The 600-sheet OfficeAssist™ Auto Feed Shredder A6000-HS Anti-Jam Micro Cut speeds and secures high-volume shredding, helping to make larger offices more productive. Patented auto feed with 4-digit PIN lock lets you load up to 600 sheets of paper, lock it until shredding is complete, and walk away. P-5 micro cut shredding turns glossy paper, junk mail, staples, paper clips and credit cards into 1/16" x 9/16" (2mm x 15mm) pieces. Intelligent™ Jam Clearance automatically reverses the blades to clear excess paper from the cutter. A 29-gallon (1,300-sheet) bin with full indicator accommodates frequent use and includes built-in bag storage to keep new bags ready. Runs quietly and continuously for 240 minutes without overheating. Intelligent™ Power Save switches modes when not in use to save energy. Sturdy casters make it easy to use the shredder wherever you need it. Two-year warranty.

Features

- Patented auto feed with 4-digit PIN lock lets you load up to 600 sheets of paper, lock it until shredding is complete, and walk away. Shreds staples, paper clips, credit cards, junk mail, and glossy paper.
- P-5 security rated micro cut shredding turns paper into 1/16" x 9/16" (2mm x 15mm) pieces. Ideal for business confidential documents.
- Quiet motor with self-cleaning Intelligent™ Jam Clearance reverses the blades to clear paper from the cutter when too much paper is inserted and upon job completion. Helps avoid time-consuming and frustrating paper jams.
- Runs continuously for 240 minutes without overheating, for large jobs.
- A 29-gallon (1,300-sheet) bin lets you shred more, empty less. An indicator lets you know when the bin is full, and built-in bag storage keeps new bags ready.
- Automatically switches to Intelligent™ Power Save when not in use (but still turned on) to save energy.
- Sturdy casters make it easy to use the shredder wherever you need it.
- A two-year warranty means you can rest assured knowing you're covered by Kensington.
