### More Storage, More Everything

Expand your laptop's storage for speed, space, and seamless productivity. With the 1 TB PCIe-4x4 NVMe M.2 SSD, you'll have plenty of room to work and play and multitask with ease<sup>1</sup>. Open your workspace for more and start thinking about computer storage less.

### Powerfully Efficient

Upgrading to 1 TB PCIe-4x4 NVMe M.2 SSD doesn't just expand your RAM, it increases the overall computing power of your HP laptop—opening the floodgates of speed and giving every part more room to think<sup>1</sup>. It's also extremely efficient, so all that power doesn't drain your battery instantly or heat everything up.

### Durable. Reliable. Undeniable.

Invest in genuine HP-branded SSD that's tested<sup>2</sup>, certified, and built for HP laptops. Robust and reliable, this product even comes with a 3-year limited warranty, just in case.

# HP 1TB PCIe-4x4 NVMe Solid State Drive

## Avantages

### **Power Through the Day**

This speedy solid state drive lets you multitask, toggle, and shift between all your applications quickly. Upgrade now and leave waiting behind.

### **Easy Installation**

Follow the extremely easy visual steps to install your brand new SSD in minutes. You don't need to contact IT or take in your laptop, just follow the instructions and get ready to power up a new level of speed.

### **HP Quality**

Engineered to ensure the maximum quality and reliability that comes with decades of innovation. Get the storage you need.

### **HP-Tested with a 3 Year Warranty**

Stay focused on what matters. Invest in genuine HP-branded SSD that's tested and certified for HP laptops, with a handy 3-year warranty, just in case.<sup>2</sup>

## Notes de bas de page

### Notes sur la description marketing

<sup>1</sup> For storage drives, TB=1 Trillion bytes. Actual formatted capacity is less.

<sup>2</sup> HP Total Test Process testing is not a guarantee of future performance under these test conditions.

### Notes sur les spécifications techniques

<sup>1</sup> For storage drives, TB=1 Trillion bytes. Actual formatted capacity is less.

<sup>2</sup> 100% outer box packaging and corrugated cushions made from sustainably sourced certified and recycled fibers.

<sup>3</sup> Recycled plastic is expressed as a percentage of the total weight plastic. Post-consumer recycled is based on the definition set in the EPEAT® standard for computers, IEEE 1680.1-2018 standard.
