Product sheet

# Contour

**For professionals dealing with shoulder pain, Contour Touch brings navigation back to center, so you point, click and scroll without reaching to the side.**

**NAVIGATE WITHOUT SHOULDER PAIN.**

The centrally located touchpad is positioned in front of you, so there's no need to reach to the side – relieving shoulder pain for those with shoulder problems.

**FAMILIAR, HIGH-PERFORMANCE INTERACTION.**

The high-resolution glass touchpad has a smooth surface for precise, effortless finger movements.

**ADVANCED PRODUCTIVITY.**

There is native support for the usual Windows finger commands – scroll, zoom, back and forward navigation to keep you productive while on your computer.
