

EcoTank ET-4750

DATASHEET / BROCHURE

This next generation EcoTank is a fast 4-in-1 with a 250-sheet paper tray. It can reduce printing costs by 90% on average¹.

Ultra-low cost

EcoTank can slash printing costs by 90% on average¹ thanks to its innovative design. It features an ultra-high-capacity ink tank that completely removes the need for cartridges, plus it comes with three years' worth of ink² included in the box. This model comes with an additional set of ink bottles.

Print thousands of pages

Get more prints between refills. Thanks to the ink included in the box, it can print 14,000 pages in black and 11,200 in colour³.

Discover the next generation of EcoTank

With the ink tank now housed at the front, EcoTank is more compact and easier to use than ever before. Protecting you against leaks and spills, it features an enhanced ink filling system engineered for mess-free refills. The new bottles also incorporate a mechanism to ensure that only the correct colours are inserted.

Business quality features

Produce crisp and clear texts thanks to the PrecisionCore printhead and Epson's genuine dye and pigment inks. Designed for business, it offers fax, a 250-sheet tray, double-sided printing, fast print speeds of 15ppm⁴ and a 30 page automatic document feeder (ADF). It's also backed by a three year warranty (upon registration).

Print from almost anywhere

With Wi-Fi and Wi-Fi Direct, send documents to print from smart devices using the Epson iPrint⁵ app. It can even receive files from almost anywhere in the world via Epson Email Print⁵.

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 with replacement sets of ink. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.

1. Based on Epson calculations, average cost per page saving and average number of inkjet cartridges required to print the same number of pages as EcoTank "102" and "104" ink bottles. Comparison between average yield (A4 prints of ISO/IEC 24711) of EcoTank "102" and "104" bottles and the genuine consumables used within the 50 best-selling inkjet cartridge printers (for Germany, France, UK, Spain and Italy Apr-19 – Mar 2020). Cost per page calculated with reference to the average printing costs for EcoTank "102" and "104" bottles and amongst these top 50 models, calculated by dividing the relevant bottle/cartridge sales revenue and total yield by unit sales (for Germany, France, UK, Spain and Italy Apr-19 – Mar 2020).
2. Based on an average print volume of 140 pages per month and considering the lowest yield produced from the first set of inks.
