## Key features

---

### Gaming-grade wireless with extra-long battery life

Step away from the screen, but stay connected thanks to a solid wireless connection. Up to 30-hours<sup>1</sup> of battery life keep your gaming sessions on your PS5™ and PS4™ going longer.

### Immersive in-game audio

Enhance your experience and stay focused on your games with 50mm drivers which provide rich sound, elevating your gaming immersion and enjoyment.

### Detachable, noise-cancelling mic

Cloud Flight's noise-cancelling mic helps keep unwanted ambient noise out of your voice chat, and the mic can be detached for easy storage.

### Compatible with PS5™ and PS4™

Reliable, wireless freedom built for PlayStation®5 and PlayStation®4 gamers.

### Signature HyperX comfort and durability

Unwind while staying comfortable even during long, late-night gaming sessions thanks to the memory foam ear cushions, premium leatherette, and adjustable steel sliders.

### 90° rotating ear cups featuring LED lighting effects

When you're ready for a break, the stylish LED ear cups rotate to be comfortably worn around your neck.

### Onboard volume and mic mute controls

Save yourself a trip into system or game menus thanks to the convenient volume and mute controls located on the earcups.
