AIO

⊏⊐i Logic Controls

SB1015

FEATURES

+ True-flat, bezel-free, fanless design

+ High performance Intel Quad-Core processor

   or i5 dual core processor

+ Durable and sturdy base

+ Easy to change or replace hard disk drive

+ Optional MSR and VFD/LCD customer display

True-flat All-in-One Touch POS Terminal

The Logic Controls SB1015 All-in-One terminal packs great features and value into a sleek and sturdy design. It delivers an economical Point of Sale solution while providing excellent performance and reliability. The highly rugged touch monitor includes a solid base with extra wide hinge for maximum stability. The SB1015 also facilitates options for a quick and professional mounting of integrated magnetic stripe reader and VFD/LCD customer display.
