

## DATASHEET

# Signature Comfort Plus Combo MK880 for Business

Signature Comfort Plus Combo MK880 for Business is a wireless keyboard and mouse combo that offers enhanced comfort with a silky smooth keyboard palm rest and a unique mouse palm cushion. Enjoy familiar typing with deep-cushioned keys and efficient SmartWheel scrolling, plus improved productivity with customizable shortcuts. Multi-OS compatibility supports effortless mass deployment.

- **Natural, feel-good typing:** Naturally curved keyboard, deep-cushioned keys, and silky smooth palm rest are designed to make every keystroke feel familiar and effortless.
- **Sculpted mouse with cushioned comfort:** Unique, soft palm cushion and extended rubber side grips provide extra comfort and control.
- **Productivity shortcuts:** Enhance workflow with additional shortcuts such as an AI Launch Key, meeting control keys, and an Action Key. Customizable with Logi Tune.<sup>1</sup>
- **Easy-Switch:** Connect up to 3 devices, such as a laptop, desktop, or tablet, and seamless switch between them.
- **SmartWheel technology:** Get precise line-by-line or super fast scrolling with a flick of the SmartWheel.
- **Silent clicks:** Produces 90% less mouse click noise with Silent Touch technology.<sup>2</sup>
- **Logi Bolt wireless technology:** Offers secure and reliable wireless connection even in congested wireless environments.
- **Designed for a positive future:** Made with a minimum of 63% post-consumer recycled plastic<sup>3</sup> and FSC™-certified packaging to reduce impact on the environment.

<sup>1</sup> Customizing the device requires Logi Tune or Logi Options+, available for recent versions of Windows and macOS at [logi.com/tune](https://logitech.com/tune) or [logi.com/optionsplus](https://logitech.com/optionsplus)

<sup>2</sup> Click noise reduced by over 90% compared to Logitech M185. Left click and typing dBA level measured by an independent lab at 1 meter.

<sup>3</sup> Excludes plastic in printed wiring assembly, receiver, cables, and packaging.

<sup>4</sup> Wireless range may vary based on users and computing conditions.

<sup>5</sup> Battery life may vary based on users and computing conditions.

<sup>6</sup> Copilot requires Windows 11 or later, Siri requires macOS 15.1 or iPadOS/iOS 18.1, and Gemini requires Chrome version 133.0.6882.0 or above. Visit [logitech.com/support/MK880B](https://logitech.com/support/MK880B) for more details.

<sup>7</sup> Meeting control keys require Logi Tune or Logi Options+ installed to get full functionality. Mute microphone key works out of the box on Microsoft Teams and Webex on Windows. Visit [logitech.com/support/MK880B](https://logitech.com/support/MK880B) for more details.

<sup>8</sup> Logi Tune and Logi Options+ are currently not supported. The device's basic functions will work without them.

<sup>9</sup> Mouse not supported by iOS.

<sup>10</sup> Requires Logi Tune downloaded on individual devices.
