

MicroSaver® Keyed Laptop Lock - Twin - Custom Master Access - Master Keyed

K64187FM

Product Description

Let your security cable and lock do double duty with the MicroSaver Keyed Twin Head Lock. Kensington is the industry standard, locking devices for more than 20 years. Two T-Bar™ locks easily secure your laptop and a peripheral desktop device like a monitor or external hard drive with a Kensington Security Slot™, all on a single cable. The 7.5-foot cable is 40% stronger than a standard cable and features aircraft-grade steel.

Features

- Hidden Pin™ technology ensures tubular lock cannot be picked
- T-Bar™ Locking Technology attaches to the Kensington Security Slot™ found on most laptops
- Two lock heads allow you to secure a laptop and a peripheral accessory
- 7.2-foot cable is made of aircraft-grade steel so it's 40% stronger than a standard cable for better cut-resistance
- Register & Retrieve™ program allows you to order replacement keys
- Master Access allows both the user and administrators to unlock or reset locks at any time
- TAA Compliant
