

SureColor™ SC-T Series

INCREDIBLE PERFORMANCE INCREDIBLY VERSATILE

The SureColor SC-T Series 4-colour printers are ideal for applications where speed and economy are paramount, offering fast, reliable printing on coated and non-coated media. They are the ideal tool for printing architectural designs and plans, maps, posters and indoor signage. They are available in 24-inch, 36-inch and 44-inch models.

Vibrant colour

Vibrant colours and stunning image quality for posters or presentations thanks to UltraChrome® XD inks.

Versatile

1.5mm
Media

Prints on rigid media up to 1.5mm thick, ideal for producing architectural models.

Flexible

Suitable for short-term outdoor use: flag banners, construction fieldwork drawings and GIS material, prints on glossy and matte paper.

PRESTIGE for EPSON

A special edition of PRESTIGE for Epson software is included free of charge with all SC-T Series printers. The software features a large selection of pre-defined layouts, including themed graphics for fashion, groceries, travel and toys, which are ideal for adverts and short-term promotions. Easily design and produce POS posters with templates and graphics.
