

Pro Fit® Left-Handed Ergo Wireless Mouse

The right mouse for your left hand.

K79810WW

Product Description

Made especially for left-handers, the ergonomist-approved Pro Fit® Left-Handed Ergo Wireless Mouse is the right mouse for your left hand. Features include a 41° neutral grip, plug-and-play USB connectivity, six-button control, triple DPI settings (800, 1200, 1600), 128-bit AES encryption, KensingtonWorks™ customisation, cross-platform compatibility and a three-year warranty.

Features

- Ergonomist-approved design with 41° inclined angle is made specifically for left-handers.
- Neutral “handshake” grip positions the hand for improved comfort.
- With plug and play USB connectivity, there’s no need for drivers or downloads. Just plug in the wireless receiver, and it works.
- Six buttons (forward, back, left, right, scroll/middle-click, and DPI) enhance navigation and productivity.
- Triple DPI settings (800, 1200, 1600) let you dial in the sensitivity and precision of your mouse cursor.
- 128-bit AES encryption Delivers government-grade wireless security.
- Customise with KensingtonWorks™, our free downloadable software, for a personalised experience, with the ability to assign a variety of functions (including shortcuts) to the buttons, and adjust cursor and scrolling speed.
- Cross-platform compatibility works with Windows, Mac and ChromeOS.
- A three-year warranty means you can rest assured knowing you’re covered by Kensington.
