13-in-1 Triple Display Mobile Dock

Streamline your workspace and unleash the true potential of your laptop with the USB-C 13-in-1 Mobile Dock.

This dock lets you connect all your essential peripherals and accessories with just one USB-C connection, making it an indispensable tool for professionals on the go.

The USB-C 13-in-1 Travel Dock features four high-speed USB ports, allowing you to effortlessly connect your mouse, keyboard, external hard drive, and other USB devices with ease.

Enhance your productivity and immerse yourself in multitasking bliss with the three monitor connectors. Equipped with two HDMI ports and one VGA port, you can now connect up to three screens simultaneously, expanding your workspace and boosting your efficiency to new heights.

The integrated card reader provides effortless access to your memory cards, making it a breeze to transfer and back up your important files and memories.

Power up your laptop with confidence using the power connector that supports up to 100W USB-C PD power.

- 2 x HDMI support 1080p@60Hz or 4K@30Hz resolution
- VGA support 1080p resolution

Spezifikationen
