

EcoTank®

502™ Ink Bottles

Exclusive, uniquely keyed EcoFit® ink bottles.

Epson's EcoTank replacement ink bottles deliver thousands of pages¹, plus genuine Epson® quality. Save up to 90 percent on ink with low-cost replacement bottles vs. ink cartridges². Plus, exclusive, uniquely keyed EcoFit bottles make it easy to fill each color tank.

Features/Benefits:

- Get thousands of pages¹
- Save up to 90 percent on ink with low-cost replacement bottles vs. ink cartridges²
- Ultra high-capacity EcoFit ink bottles — uniquely keyed for easy filling
- Genuine Epson Ink — reliable performance, brilliant results
- Epson strongly recommends the use of genuine ink to ensure optimal print quality and performance. Use of non-genuine ink could cause damage not covered under the printer's limited warranty

For use with:

- Part of the ink from the included bottles is used for initial setup; yields are lower than those of replacement ink bottles. Replacement and included ink bottle yields based on the ISO/IEC 24712 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors must be available for printing. For more information, visit www.epson.com/inkinfo
- Actual savings and costs will vary considerably based on print tasks, print volumes and usage conditions. Savings and cost per ISO page are based on the cost of replacement ink bottles and the cost of enough standard cartridges to achieve the total page yields of the bottles using the MSRP (USD) and yields for Epson standard-capacity ink cartridges for similarly featured Epson consumer inkjet printers as of May 2022.
