- Connects to mobile devices via Bluetooth
- Integrated busylight
- Discreet microphone boom-arm that integrates into the headband when not on calls
- Superior music and voice capabilities
- Hi-Fi Sound

2. Jabra Evolve 65 overview

2.1 Stereo variant

2.2 Mono variant

2.3 Included accessories (stereo and mono)

Travel pouch

USB cable

Jabra Link 380/390
USB-A Bluetooth adapter

3. How to wear

3.1 Left or right wearing style

The Jabra Evolve 65 can be worn on the left or right by flipping the microphone to the other side (270° limit). To prevent damaging or breaking the microphone, do not rotate it more than 270°.

3.2 Adjust the headband

Adjust the headband to find the most comfortable fit.

3.3 Position the microphone

It is recommended to position the microphone close to your mouth (0.5 inches).

The microphone is bendable for personal preference.

3.4 Storing the microphone

When listening to music or outdoors, the microphone can be magnetically stored in the headband groove.

4. How to charge the battery

The headset battery will charge when connected to a PC using a USB cable, or when using any USB charger supplied with your mobile device.

The headset can still be used for calls while charging using a USB cable connected to a PC.

It takes approx. 3 hours to charge the battery.

4.1 Sleep mode

When the headset is powered on, but not being used, it will automatically enter sleep mode after 15 minutes to conserve battery. To manually exit sleep mode, press any button on the headset.

After 24 hours of sleep mode, the headset will power down completely. To power the headset back on, slide the **On/off/connect** switch from **On** to **Off**, and then back to **On**.

Sleep mode is enabled by default, and can be disabled using Jabra Direct.

5. How to connect

5.1 Connect to PC (using Jabra Link 380/390)

1. Ensure the headset is switched on.
2. Plug the Jabra Link 380/390 dongle into a USB port on your PC. The headset and Jabra Link 380/390 are already pre-connected.

5.2 Connect to mobile device (using Bluetooth)

1. Wear the headset.
2. Hold (3 secs) the **On/off/connect** switch in the connect position until you hear the voice guided instructions. The Bluetooth indicator will flash blue.
3. Follow the voice guided instructions to connect.

5.3 Connect to PC (using USB cable)

1. Ensure the headset is switched on.
2. Plug the headset into a USB port on your PC using the supplied USB cable.

6. How to use

6.1 Everyday use

	Function	Action
	Headset on/off	Slide the On/off/connect switch
	Answer/end call	Tap the Multi-function button
	Reject call	Double-tap the Multi-function button
	Battery and connection status	Tap the Multi-function button when not on a call
	Enable/disable Voice prompts	Press and hold the Multi-function button while turning on the headset
	Adjust volume	Tap the Volume up or Volume down button
	Manual busylight on/off	Simultaneously tap the Volume up and Volume down buttons
	Enable/disable Busylight function	Simultaneously press and hold (3 secs) the Volume up and Volume down buttons
	Mute/unmute microphone	Press and hold (2 secs) the Volume down button

6.2 Multiple call handling

The headset can accept and handle multiple calls at the same time.

Function		Action
	End current call and answer incoming call	Tap the Multi-function button
	Switch between held call and active call*	Press and hold (2 secs) the Multi-function button
	Put current call on hold and answer incoming call*	Press and hold (2 secs) the Multi-function button
	Reject incoming call, when on a call	Double-tap the Multi-function button

*Non-Microsoft Teams headset variant only

6.3 Busylight

The busylight indicator on the headset can be turned on to let others know that you are busy.

MANUALLY TURN BUSYLIGHT ON/OFF

To manually turn the busylight on/off, tap both the **Volume up** and **Volume down** buttons at the same time.

ENABLE/DISABLE BUSYLIGHT FUNCTION

To enable/disable the busylight function, press and hold (3 secs) both the **Volume up** and **Volume down** buttons at the same time.

6.4 Using the travel pouch

When transporting the headset from location to location, it is recommended to use the travel pouch to prevent damaging the headset.

The earcups can only be rotated in one direction. To prevent breaking the headset, do not rotate the earcups in the opposite direction.

7. Software and firmware

7.1 Jabra Direct

Jabra Direct is computer software designed to support, manage and enable optimal functionality for Jabra devices.

Download the latest free version from jabra.com/direct

7.2 Update firmware

Firmware updates improve performance or add new functionality to Jabra devices.

1. Connect the Jabra Evolve 65 to a computer.
2. Use Jabra Direct to check for the latest firmware updates.

8.2 How to care for your headset

- Always store the headset with the power off and safely protected.
- Avoid storage at extreme temperatures (above 55°C/131°F or below -10°C/14°F). This can shorten battery life and may adversely affect the headset.
