

Chest Freezers with White & Stainless Steel Lids

2 Years Parts & Labour Warranty

2-3 Working Days Delivery

UK Service Support

Manufactured In Europe

This durable chest freezer range is built for commercial performance and **operates reliably in outbuildings**, garages and other cold environments from 0 to 10°C. Available in **four sizes** with a choice of white or stainless steel lids, each model features **static cooling** with energy efficient **R600a refrigerant**, manual defrost, **internal lighting** and a flushback evaporator.

Easy monitoring and control come as standard with the **built-in digital thermometer** and adjustable thermostat. With **70 mm thick wall insulation**, these freezers offer 36 hours of holdover time, plus **lockable lids**, external handles and four smooth rollers, with **casters sold separately**.
