

# HP LaserJet Tank MFP 2604sdw Printer

High-volume productivity at the lowest cost per page.<sup>2</sup>

Business capabilities with up to 5,000 monochrome pages of pre-filled toner and an ultra-low cost per page<sup>1</sup>

All in one Printer. Pre-filled with up to 2 years of Original HP Toner. The HP Toner Tank System makes it easy to refill delivering the lowest cost per page in black and white.<sup>1,2</sup>

**Print Speed:** Letter: Up to 23 ppm; First Page Out: As fast as 7.9 sec black  
**Print Resolution:** Black (best): Up to 600 x 600 dpi  
**Scan Resolution:** Hardware: 600 x 1200 dpi; Optical: Up to 600 dpi  
**Standard Connectivity:** Hi-Speed USB (compatible with USB 2.0 specifications); Ethernet 10/100 BT; 802.11a/b/g/n (2.4/5 GHz) Wi-Fi radio + BLE  
**Mobile Printing Capability:** HP Smart App; Apple AirPrint™; Mopria™ Certified; Wi-Fi® Direct  
**Duty cycle:** Monthly (letter): Up to 25,000 pages  
**Display:** Icon LCD  
**Paper Handling:** 250-sheet input tray

## Get high-quality printing with the lowest cost per page in black and white<sup>2</sup>

- Print up to 5,000 monochrome pages with a full tank of Original HP Toner.<sup>1</sup>
- Save on refills and get the lowest running cost with the ultra-high-yield HP Toner Reload Kit.<sup>1,3</sup>
- Deliver exceptional quality with sharp text and bold blacks, page after page.

## Protection for your everyday printing

- HP Wolf Essential Security helps keep your passwords, scans, and prints private, and helps keep your home network safe from hackers looking to gain access.
- Core protection for everyday needs with HP Wolf Essential security

## Full features for business-ready capability

- Experience less downtime and refill toner in just 15 seconds with ultra-high yield HP toner refill options<sup>5</sup>
- Speed through multipage documents with automatic two-sided printing.
- Increase productivity with 40-page automatic document feeder.
- Print, scan, and share anytime, anywhere with the best in-class HP Smart app<sup>8</sup>
- Connect seamlessly with self-reset dual-band Wi-Fi. Low maintenance with long-life up to 50,000 page imaging drum<sup>6</sup>

## Reduce environmental impact

- HP Toner Refill Systems were designed to use over 75% less plastic.<sup>4</sup>
- Conserve resources and save paper with automatic two-sided printing.
- Low maintenance with long-life up to 50,000 page imaging drum<sup>6</sup>

<sup>1</sup> Actual yield varies considerably based on content of printed pages and other factors. Average based on ISO/IEC 19752 and continuous printing. Additional printed pages require toner reload. For details see [www.hp.com/go/learnaboutsupplies](http://www.hp.com/go/learnaboutsupplies). <sup>2</sup> Based on internal HP comparison of cost-per-page of in-class HP LaserJet Pro M15 and HP LaserJet Pro MFP M28 using standard-fill HP 44A/46A/47A Black Original LaserJet Toner Cartridge. For page yield details see [www.hp.com/go/learnaboutsupplies](http://www.hp.com/go/learnaboutsupplies). <sup>3</sup> Toner Reload Kit is not included with the printer, please purchase separately. <sup>4</sup> Over 75% plastic reduction is calculated by comparing the weight of the plastic in HP Neverstop Laser 103/143 A/AD and HP Laser N5 10B A/AD Toner Reload Kit and its packaging. <sup>5</sup> When used in accordance with instructions. Average reload time based on HP internal testing. <sup>6</sup> The yield of imaging drum is approximately 50,000 single-sided pages (letter or A4 size paper). There are many factors that determine the actual drum useful life, such as temperature, humidity, type of paper, type of toner used and other variables. The imaging drum unit is replaceable through authorized service provider. <sup>7</sup> Requires the HP Smart app download. For details on local printing requirements see [www.hp.com/go/mobileprinting](http://www.hp.com/go/mobileprinting). Certain features/software are available in English language only and differ between desktop and mobile applications. Subscription may be required; subscription may not be available in all countries. See details at [HPSmart.com](http://HPSmart.com). Internet access required and must be purchased separately. HP account required for full functionality. List of supported operating systems available in app stores.

## HP LaserJet Tank MFP 2604sdw Printer Technical specifications

Print speed black <sup>5,4,6</sup>	Letter: Up to 23 ppm; First page out: As fast as 7.9 sec; Print speed duplex: Up to 15 ipm	What's in the box <sup>2</sup>	381V1A HP LaserJet Tank MFP 2604sdw printer, pre-filled with 5,000 monochrome laser pages, Power Cord, Setup Guide, Reference Guide, Regulatory/Support Flyers

Certain features/software are available in English language only and differ between desktop and mobile applications. Subscription may be required; subscription may not be available in all countries. See details: [HPsmart.com](http://HPsmart.com) at Internet access required and must be purchased separately. HP account required for full functionality. List of supported operating systems available in app stores. <sup>2</sup> HP Black Original LaserJet Tank Imaging Drum (introductory ~5,000 page black toner yield provided). For yield information included with your printer, see <http://www.hp.com/go/toneryield>. Yield values measured in accordance with ISO/IEC 19752 and continuous printing. Actual yields vary considerably based on images printed and other factors. <sup>3</sup> Measured using ISO/IEC 24734 Feature Performance Test, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver, and document complexity. <sup>4</sup> Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver, and document complexity. <sup>5</sup> Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver, and document complexity. <sup>6</sup> Measured using ISO/IEC 17629. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver, and document complexity. <sup>7</sup> Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Energy Star value typically based on measurement of 115V device. <sup>8</sup> Scan speeds measured from ADF. Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software. <sup>22</sup> Program availability varies. For details, see [www.hp.com/recycle](http://www.hp.com/recycle). <sup>27</sup> Post-consumer recycled is based on the definition set in the EPEAT standard for imaging equipment, IEEE 1680.2
