

Logitech G512 X Palmrest 75 with LIGHTSYNC RGB

Complete your legendary setup. The G512 X PALM REST 75's solid acrylic build captures light from the G512 X keyboard, amplifying your custom RGB. The laser-etched surface provides stable, ergonomic support, creating a seamless and premium 75% fit.

WHAT'S IN THE BOX

- G512 X PALM REST 75

FEATURES

- **Designed for G512 X 75:** The essential palm rest accessory built to complete the legendary aesthetic and feel of your G512 X 75 keyboard and battlestation
- **Boosts RGB brilliance:** Light-capturing gaming palm rest enhances LIGHTSYNC, creating vivid and unique RGB keyboard wrist rest effects from your G512 X 75's lightbar
- **Provides stable comfort:** Weighted and durable solid translucent acrylic palm rest offers ergonomic wrist rest support during intense gaming sessions
- **Elevate your gaming setup:** Laser-etched pattern on the top surface diffuses RGB lighting for a level-up look; subtle G logo highlights legendary gaming wrist rest design.
- **Perfect fit:** Sized for the exact length of the G512 X 75 keyboard; ensures a seamless, gap-free look when the keyboard and palm rest are aligned for both 4° and 8° keyboard angles
- **Matte UV coating:** The protective matte UV coating is glare and fingerprint resistant, keeping the premium, light-catching surface clean and sharp
