

POS Tablets

*ION Tablet*

**Resilient Touch Display**

The ION Tablet features a 8" HD screen with projected capacitive (PCAP) multi-touch technology built to take the rigors of heavy everyday use.

**All Day Battery**

A large 8500mAh battery provides up to 8 hours of usage on a single charge.

**Dust and Water Proof**

An IP67 seal protects against dust and can be submerged in water up to 3 feet.

**Wireless Capability**

Integrated Bluetooth and Wi-Fi give you the freedom to leave the counter behind and still remain connected to all your wireless and networked devices.

**Built-in Scanner**

A built-in 2D barcode scanner provides quick, accurate data collection perfect for warehousing or retail point of sale.

MODEL	
Processor	Intel Cherry Trail Z8350 Quad-core
