Setting up your tablet

Your tablet already has a SIM card installed.

OPTIONAL: Insert a microSD card

1. Use the tray removal tool to open the tray.
2. Insert the microSD card into the tray with the gold contacts facing down, as shown.

NOTE: microSD card is sold separately

Charge the battery

Before turning on your tablet charge it fully with the provided charger.

NOTE: Only use Samsung approved chargers with your device. Incompatible chargers or tampering with the charging port could damage your device and void the warranty.

About your tablet

NOTE: Not all features, apps or services may be available with your plan, device operating system and software version. Please contact your wireless service provider for more information.

NOTE: Devices and software are constantly evolving – the screen images and icons you see here are for reference only.
