

Lenovo V14 G6 ITN

Engineered for the mobile professional, the laptop combines efficiency, reliability, and sleek performance. Powered by the Intel® N-series processor and equipped with integrated Intel® UHD Graphics or Intel® Graphics, it effortlessly handles everyday business tasks while keeping visuals sharp and responsive. With up to 16GB of DDR5-4800 memory and up to 256GB SSD storage, users get the speed and capacity needed to stay productive on the go – whether managing projects, attending virtual meetings, or multitasking between apps.

Redefining possibilities with powerful performance and groundbreaking on-device AI

Combining security and productivity features with a simple design, powerful technology, and all-day battery life, Lenovo V Series laptops are perfect for small business professionals who demand long-term performance and reliability.

The HD 1.5W dual Senary SN6147 codec speakers provide a rich, immersive sound experience, enabling professionals to collaborate seamlessly with colleagues and clients, even while on the move. Furthermore, the dual-microphone array guarantees clear voice transmission during video calls and conferences.

Whether working on a project deadline or managing a client presentation, the 38Wh Rechargeable Li-ion Battery with rapid charge support ensures the laptop allows professionals to work confidently, without worrying about constant recharging.

Encased in a sleek black case and built from durable PC-ABS material on both the top and bottom, offers professionals the perfect balance of style, strength, and portability.

Lenovo Services
