

# 1 Port USB-C™ Wall Charger with 60W of Power Delivery

Product ID: WCH1C

This USB C Power Delivery charger provides next-generation technology that can fast charge your USB Type-C phone, tablet, or laptop that requires up to 60W.

## Wide Compatibility

This USB-C wall charger is compatible with a vast array of USB Type-C devices such as the MacBook Pro 13-inch, XPS 13, Surface Book 2 and Lenovo ThinkPad X1 Carbon. A 3-foot (1 meter) USB-C to USB-C cable is included but the USB-C AC adapter is also compatible with other cable lengths.

While the USB Type-C power adapter is compatible with any USB-C Power Delivery device, it is recommended to use it with devices that require 60W or less for optimal charging performance.

## Safe Charging

The USB-C portable charger comes with multiple forms of protection for your devices such as over-temperature protection, over-current protection, over-voltage protection and short-circuit protection.

## **The Choice of IT Pros Since 1985**

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales.

WCH1C is backed by a StarTech.com 2-year warranty and free lifetime technical support.
