Phaser® 6280 Colour Laser Printer

Affordable colour laser printer that delivers for busy work teams.

Spectacular colour printing to give your documents the competitive edge, plus solid performance with built-in networking, advanced colour technology and unparalleled quality, all at a surprisingly low price.

Performance that keeps up with your busy office

The Phaser 6280 printer can handle all the work your team can give it, with fast colour output and advanced capabilities.

- **Built for speed.** Fast 25 ppm for colour printing and 30 ppm for black and white.
- **Fast first page out.** In as little as 10 seconds.
- **Handle complex documents with ease.** Thanks to 256 MB of printer memory and a powerful 400 MHz processor.
- **Work team-ready.** Enabled with built-in networking and on-board support for Windows, Mac, and Linux.
- **Flexible expansion.** Suited to fit your workload, including an optional hard drive, memory expansion and paper capacity up to 950 sheets.
- **Automatic two-sided printing.** Available with the Phaser 6280DN configuration.
- **Enterprise-ready.** Support includes device management tools such as CentreWare print management software.

Make your point in colour, and customers get it faster and retain it longer.

Low-cost colour printing for your business

Add outstanding colour to your business documents at an exceptionally low price, with an array of advanced colour printing tools and money-saving features.

- **Outstanding.** 600x600x4 dpi photographic-quality colour at low cost.
- **Pantone® Colour approved solid-colour simulations and Xerox colour correction technology.** Allows the Phaser 6280 to automatically print the right colours or lets you fine-tune for special applications.
- **True Adobe® PostScript® 3™.** Gives you the brightest, truest colours and graphics possible.
- **Bring out the clarity and detail.** It uses smaller, more uniform toner particles than conventional toner in every print with Xerox EA-HG toner.
- **Choose "Run Black".** Enables you to print colour documents in black when colour cartridges are empty.
- **Better manage your printing costs.** The Phaser 6280 tracks the number of colour and black pages you're printing. It also works with third-party software to provide more detailed usage monitoring.
- **Paper-saving feature.** It automatically skips blank pages in a document.

Quality engineering with world-class Xerox service and support

Xerox precision design and engineering deliver worry-free reliable performance.

- **Well-built, durable construction.** A robust 60,000-pages/month duty cycle can meet the needs of even the busiest work team.
- **You're covered with a one-year on-site warranty.** Providing the best service and support in the industry.
- **Engineered to be quiet.** Low-noise levels make it a great fit for office environments.
- **Printing Scout™.** Tracks your print jobs and provides immediate print-issue alerts with correction suggestions.
- **Environmentally conscious.** The Phaser 6280 is part of the Xerox Green World Alliance recycling programme. Ship your used cartridges to Xerox for free and we'll take care of recycling.
- **Energy Star Qualified.** Saves on office utility bills.
