

Lenovo V14 G4 IAN

Whether you're a creative visionary, a number cruncher, or a strategic thinker, this laptop is tailored to make tasks seamless. Its slim and lightweight design ensures that consultants and business analysts can carry it anywhere. The 14-inch FHD display with accurate color reproduction is ideal for graphic design, video editing, and content creation on the go. For legal professionals and consultants, it offers security features, including a fingerprint reader and facial recognition, ensuring their sensitive information stays protected.

Redefining possibilities with powerful performance and groundbreaking on-device AI

Combining security and productivity features with a simple design, powerful technology, and all-day battery life, Lenovo V Series laptops are perfect for small business professionals who demand long-term performance and reliability.

Multitaskers can seamlessly switch between spreadsheets, emails, and presentations without missing a beat, thanks to the Intel N-series processor. With an extended battery life of up to 11.7 hours, traveling salespeople can stay productive from one meeting to the next, without worrying about running out of power.

Stay connected and collaborate effortlessly with integrated Wi-Fi 6 and Bluetooth 5.1. Whether working from a coffee shop or a conference room, experience seamless communication with clients and colleagues.

Dolby Audio 1.5W dual stereo speakers and dual-array microphones allow for a wider soundstage, which means professionals can better perceive audio coming from different directions.
