VSPF2360
(Sold Separately)

The ViewSonic® VA2465Smh 24" (23.6" viewable) LED backlit, HD widescreen monitor delivers stunning images driven by our latest SuperClear® MVA panel technology and a 3000:1 contrast ratio. With HDMI 1.4 and VGA support and built-in speakers, this monitor supports a variety of devices from your PC to your latest gaming device. Our exclusive ViewMode™ setting optimizes the monitor for a variety of applications from gaming to editing your next novel. Integrated Flicker-free and Blue Light Filter technology helps eliminate eye-strain during extended viewing periods. The VA2465Smh includes a VESA-mountable design to provide additional mounting options. Backed by our 3-year limited warranty and one of the industry's best pixel performance policies, the VA2465Smh packs an amazing amount of performance in a sleek streamlined design.

Key Features:

SuperClear® MVA technology for stunning color performance and wide-angle viewing

Flexible connectivity options include HDMI and VGA

Full HD1080p resolution provides superior pixel performance

Exclusive ViewMode technology delivers superior color rendering and intuitive settings

Flicker-free and Blue Light Filter technology for more comfortable viewing
