

1 ft. CAT6 Cable - 10-Pack

Product ID: C6PATCH1BL10PK

This CAT6 cable pack meets all Category 6 cable specifications, to deliver a reliable Gigabit network connection.

Protect Your Equipment

The CAT6 patch cable 10-pack is built using 100% copper wire and are tested to comply with ANSI/TIA 568 C.2 Category 6 requirements. We don't use copper-clad aluminum (CCA) wire, which is subject to problems like weak power delivery, heat buildup, equipment damage and possibly fire.

The 50-micron gold connectors deliver optimum conductivity and eliminate signal loss due to oxidation or corrosion.

High-Quality Construction

The CAT6 Ethernet cords are manufactured using high-quality copper conductors and carefully constructed and tested to keep Near-End Crosstalk (NEXT) well within acceptable limits. The patch cables are built with 24 AWG copper wire, to ensure peak performance for demanding Ethernet applications such as Power-over-Ethernet and 4K or 1080p video streaming.

Easily Install Your Network Cables

For trouble-free cable runs, these durable cables feature molded boots which offer strain relief by stopping the RJ45 connectors from bending at sharp angles. This reduces the risk of cable damage, which could decrease network connectivity and performance.

C6PATCH1BL10PK is backed by a StarTech.com lifetime warranty for guaranteed reliability.

Certifications, Reports and Compatibility

Applications

- Designed for use with Gigabit networks
- Patches from hub to distribution panel
- Connects workstation to wall outlet

Features

- Protect your network and equipment with 100% copper wire CAT6 cables
- Tested to comply with ANSI/TIA 568 C.2 CAT6 requirements
- Molded PVC strain relief that prevents the RJ45 connector termination points from bending at sharp angles
- Built with 50-micron gold-plated connectors for a clear signal
- Convenient solution for businesses in need of multiple CAT6 networking cables

Hardware	Warranty	Lifetime
	Cable Jacket Type	PVC - Polyvinyl Chloride
	Cable Type	Molded
	Fire Rating	CMG Rated (General Purpose)
	Number of Conductors	4 Pair UTP
	Wiring Standard	TIA/EIA-568-B.1-2001 T568B
Performance	Cable Rating	CAT6 - 650 MHz
Connector(s)	Connector A	1 - RJ-45 Male
	Connector B	1 - RJ-45 Male
Physical Characteristics	Cable Length	1 ft [0.3 m]
	Color	Blue
	Conductor Type	Stranded Copper
	Product Height	8.200
	Product Length	12 in [30.5 cm]
	Product Width	11.600
	Weight of Product	20.000
	Wire Gauge	24 AWG
Packaging Information	Package Height	0.100
	Package Length	200.000
	Package Width	220.000
	Shipping (Package) Weight	30.000
What's in the Box	Included in Package	10 - CAT6 Cables
