### Product Description

---

Enjoy streamlined collaboration and video conferencing with the ViewSonic® VG2741V monitor. This 27" FHD monitor features a built-in 5MP integrated camera that supports secure, password-free sign-in with Windows Hello, while a 5-degree adjustable angle and privacy shutter ensure optimal positioning and peace of mind. Plus, with additional features including built-in camera, a microphone and powerful speakers, users can enjoy a fully immersive meeting experience where everyone looks and sounds their best. Get more clarity from vivid visuals with SuperClear® IPS technology and stay comfortable with a fully ergonomic stand. Whether you're working from home or at the office, the VG2741V makes it easy to stay connected with HDMI, DisplayPort, and USB-C\* inputs - along with a handy USB hub that includes both USB-A and USB-C ports.

\*USB-C port supports video, audio, and data only.
