

MX™ Revolution

World's Most Advanced Mouse

Rechargeable Cordless Laser Mouse

The world's most advanced mouse, MX™ Revolution gives you powerful new controls that streamline the way you work. Use the nearly frictionless alloy scroll wheel to fly through long documents at hyperspeed, or switch to precision click-to-click scrolling for navigating lists, slides, and image collections. Flip effortlessly between open documents with the MX™ Revolution's convenient thumb wheel. Search the Web by highlighting a word or phrase and pressing a dedicated search button. Rechargeable Li-ion battery, full-speed USB wireless, and a state-of-the-art laser engine deliver unprecedented control and precision.

Hyper-fast Scrolling

Hyper-fast scrolling lets you fly through long documents, and instantly stop wherever you want.

Logitech® SmartShift™ Technology

Logitech® SmartShift™ Technology automatically applies the scrolling mode that best fits the task at hand.

Document Quick-Flip

Move effortlessly between documents with Document Quick-Flip Wheel.

Touch to Search

Touch to Search button for instant results.

Rechargeable Cordless Laser

Rechargeable Li-ion battery for long lasting performance. Full-speed 2.4 GHz Digital Cordless laser delivers convenience and absolute precision.
