

HP ZBook Firefly 15.6 inch G8 Mobile Workstation PC

ZBook performance, more mobile than ever.

Our lightest 15.6" ZBook provides true mobility for people who push the typical business PC past its breaking point. In the office or in the field, with pro-level performance and a full-size numeric keypad, you have everything to review work and manage projects from anywhere.

*Product image may differ from actual product

HP recommends Windows 11 Pro for business

Manage it on the move

 Starting at just 3.78 lbs¹ our most mobile 15" ZBook is made to move. With 3X faster Wi-Fi^{@2}, gigabit-class 5G³ and better battery life⁴, you're equipped for days offsite. HP SureView Reflect privacy screen guards private information from prying eyes.⁵

Pro-level performance. To go.

 Say goodbye to slowdowns and power through projects and heavy workloads with the 11th Intel[®] Core[™] processors and NVIDIA[®] T500 graphics, certified for pro apps. Open large files and run apps simultaneously for speedy multitasking and productivity.

Upgrade to a modern viewing experience

- Enjoy beautiful visuals even in direct light with a super-bright 400 nit 4K UHD display⁶. Images are
 more detailed and require less panning and zooming⁷. All this in a modern, slim-bezel design that
 maximizes your viewing area.
- Work anywhere without compromising on performance or security with Windows 10 Pro, powered by HP's collaboration and connectivity technology. 8
- Open large files and run apps simultaneously for speedy multitasking and productivity with the NVIDIA® T500 graphics with 4GB of video memory.
- Bring your ideas to life quickly and effectively with the latest 11th gen quad-core Intel[®] Core™ processors with up to 4.7 GHz of acceleration when you need it most.⁹
- Strenuously tested to meet ISV certification and deliver superb performance and support with leading software providers, including Autodesk.¹⁰
- Have confidence with the HP's most secure mobile workstations. Instantly protect against visual hacking with HP Sure View Reflect, and defend against firmware and malware attacks with HP Sure Start, HP Sure Sense, and HP Tamper Lock intrusion detection sensor.^{11,12,13}
- Built with the environment in mind, this ZBook includes recycled ocean-bound plastics, recycled aluminum, plastic-free packaging, and ultra-efficient power consumption.¹⁴
- The keyboard has been re-imagined with rubber domes, an ambient light-sensing backlight and a quiet clickpad for a more comfortable, intuitive, and quiet experience.
- Designed for ultimate durability, this ZBook undergoes 19 brutal MIL-STD 810H tests to help ensure this PC keeps rolling through your workday.¹⁵
- Plug in to greater connectivity at your desktop with the HP Thunderbolt Dock for lightning-fast Thunderbolt™ 4 transfers and the flexibility to run up to two external 4K displays.^{16,17,18}
- 170 degree clamshell hinges lay almost flat, for easy collaboration and comfortable viewing at every angle.
- No need to risk riding someone else's network when you have your own. Optional 5G leverages the SIM card from your wireless provider for enhanced security. ¹⁹
- A completely revamped standby system means you're ready to work the moment inspiration strikes. With no sleep mode and no off mode, the modern standby keeps your rig connected and on demand whenever you need it.

HP ZBook Firefly 15.6 inch G8 Mobile Workstation PC Specifications Table

HP ZBook Firefly 15.6 inch G8 Mobile Workstation PC

Messaging Footnotes

¹ Weight will vary by configuration.
² Based on Wi-Fi S 80MHz and Wi-Fi 6 160MHz minimum requirements when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 802.11 ax (Wi-Fi 6). Only available in countries where 802.11 ax (Supported, Wireless access point and internet service required and sold separately, valiability of public wireless access points limited. Wi-Fi 6 is backwards compatible with prior 802.11 systems. The specifications for Wi-Fi 6 (802.11 ax) are draft and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11 ax devices.

Inflat in the interspectications of the draft specifications, it may alrect the adulty of the hotebook to confination and with each of the devices. 3 Gigabit Cases Category 16 46 (TE module is optional and must be configured at the factory. Module designed for up to 1 Cbps download speeds as carriers deploy 5 carrier aggregation and 100Mhz channel bandwidth, requires activation and separately purchased service contract. Backwards compatible to HSPA 36 technologies. Check with service provider for coverage and availability in your area. Connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. 4 UFE not available on all products, in all regions. ⁴ When compared to HP ZBook 15u G6 ⁵ HP Survive Reflect is an optional feature, requires factory configuration and is designed to operate in landscape orientation. ⁶ 4X UHD display is an optional feature, requires for coverage. ⁷ When compared to standard FHD displays.

⁸ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated.

¹ Not all teatures are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. USP fees may apply and additional requirements may apply over time for updates. See thirty//www.windows.com .
⁹ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance. Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configurations. See www.intel.com/technology/turboboost for more information. *
¹⁰ Autodesk software soft separately.
¹¹ HP Sure View Reflect integrated privacy screen is an optional feature that must be configured at purchase.
¹² Use use the Cong is anylish one collect MDC. with Intel Turbo Boost technology is a PC.

¹¹ HP Sure View Reflect integrated privacy screen is an optional feature that must be configured at purchase.
 ¹² HP Sure Start Gen7 is available on select HP PCs with Intel processors. See product specifications for availability.
 ¹³ HP Sure Sense requires Windows 10. See product specifications for availability.
 ¹⁴ Speaker enclosure component made with 5% ocean bound plastic as of 2/3/2020. Uses 75% recycled Aluminum 6063 (architectural aluminum) – A Cover (lid), uses 50% recycled Aluminum 5052 (appliance aluminum) – C & D Cover (keyboard deck & Bottom).
 ¹⁵ Testing is not intended to demonstrate fitness of U.S. Department of Defense (DoD) contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
 ¹⁶ HP Thunderbolt Dock with Thunderbolt¹⁷ a Sold separately.
 ¹⁷ External displays sold separately.
 ¹⁸ Ontional Hovind draphics is required to run up to two external 4K displays.

¹⁸ Optional hybrid graphics is required to run up to two external 4K displays.

¹⁹ 5G is an optional feature, requires separately purchased service contract, and configuration at purchase. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.
