¹ Depending on the intensity and context of use.

^{**2} Results vary depending on the context of use.

^{***3} According to internal tests and compared to HomeRun 7000 Series with 5000Pa.

^{****4} Smallest detectable obstacle size : 2.5 x 2.5 cm

^{*****5} Tested in vacuum only mode with the lowest suction power level.

^{*****6} Captures 96.5% of particles the size of 0.3 µm.

Highlights

A supreme clean, effortlessly

With the Philips HomeRun 9000 series, you always clean with clean water. Its PowerCyclone Aqua technology locks away dirty water as it goes, meaning you only ever mop with fresh water. Experience unparalleled cleanliness with our mop, leaving your floors spotless.

Never miss a spot

Every home has those tricky spots that are hard to reach and vacuum well. Those small spaces and deep crevices don't faze the Philips HomeRun 9000 series. Thanks to its hidden D-ToF Laser Navigation and advanced algorithm, its precise route planning covers your entire floor.

Tackle all your messes

Life throws a lot at our floors. Crumbs from messy kids, muddy dog pawprints, splatters of sauce from cooking, and all those random bits of fluff and dirt. The Philips HomeRun 9000 series responds. It is a specialist in picking up dust, stains, liquid, and food messes via vacuum and wash in one go. You enjoy the moment we'll handle the mess.

Easy use and care

Enjoy up to 3 weeks maintenance-free cleaning with the All-in-One Station: Automatically empties the dust bin up to 70 days¹. Independently refills the clean water tank and empties the dirty water tank for up to 3 weeks¹. Effortlessly cleans and hot dries (50°C) the mop, ensuring a fresh start every time.

Ultra strong suction power

With its strong suction power - the strongest Philips robot power ever with a remarkable 60% increase - the Philips HomeRun 9000 series easily vacuums dust hidden deep into crevices³.

Confident cleaning

No need to tidy socks, books, cups, slippers or toys. With our advanced obstacle detection, you can set your robot vacuum to work and know it won't get stuck by small household objects⁴.

Tangle-free brush

Say goodbye to tangled brushes - our advanced detangling feature ensures they stay hair-free², freeing you from the hassle of manual cleaning.

Mop lift

The Philips HomeRun 9000 series seamlessly moves across flooring types. With its dual-rollers uplift system, the mop uplifts automatically to avoid wetting carpets.

Philips Robot Floor Cleaner

Philips ultra-concentrated floor cleaner has been specially developed for Philips robot vacuum cleaners. It ensures your Philips HomeRun 9000 series performs at its best clean and it lasts longer.

Specifications

Internet connectivity: Connect via Wi-Fi, Dual band
Wi-Fi range: 2,4 GHz & 5 GHz
Smart home compatibility: Yes, basic controls through Alexa & Google Assistant
Capacity Clean Water Tank (in robot): 220 ml
Capacity Clean Water Tank (in station): 3.5 l
Capacity Dust Bin (in robot): 210 ml
Integrated on /off switch: Yes
Power light: Yes
Noise level (standard): ≤ 66 dB
Auto recharge function: Yes, will charge when the battery is empty and continue where it left off when done charging.
Battery runtime: up to 280 minutes
Recharge time: max. 5.5 hours
Battery capacity: 6500 mAh
Removable battery: Yes
Certifications: CB
Suction power: 8000 Pa
Battery type: Lithium-ion
Voltage: 14.4 V
Frequency: 50/60
Warranty: 2 years
EU declaration of conformity: Yes
Produced In: China
Battery Product: Yes

Station

Auto-Emptying functionality: Yes
Mop cleaning functionality: Yes
Mop drying functionality: Yes
Automatic refilling of robot: Yes
Automatic collection of dirty water: Yes
Capacity Dirty Water Tank (in robot): 90 ml
Capacity Dirty Water Tank (in station): 2.7 l
Capacity Dust bag (in station): 3.0 l
Dust bag type: Anti-allergy S-bag
Cord length: 1.5 m
Charging Station: Yes

App

APP name: Philips HomeRun
Operating system: Android 6 & above, iOS 11 & above
How to use videos: Yes
Quick mapping function: Yes
Multi-floor mapping: Yes, save up to 5 maps
Select which room(s) to clean: Yes
