### Be heard clearly

With the Poly Savi 8400 Office series headset system, you can stay focused on your tasks while enjoying crystal-clear conversations thanks to a noise-canceling microphone with close conversation limiting.

### Untether from your desk

Enjoy the convenience of hands-free calling and a longer roaming range with the Poly Savi 8400 office series. With up to 13 hours of talk time and the ability to roam up to 590 ft / 180 m means you can keep the calls going, even away from the desk<sup>2</sup>.

### Multi-device connectivity

Designed for the modern office with 3-way connectivity, the Poly Savi 8400 office series is the perfect solution for business calls allowing you to stay connected in the office. You can even conference four headsets together with the base for increased productivity.

### 3-way connectivity

Manage all your calls with a compatible single base that offers 3-way connectivity - computer, desk phone and mobile.

### Crystal-clear calls

Reduce background sounds for the person you are talking to with a noise-canceling microphone and close conversation limiting while you stay in the zone with active noise canceling.

### Take it further

Everyone can move, multitask, and get more done with up to 13 hours of talk time on a single charge. Convenient voice prompts notify of mute status, wireless range limit and more.

### Privacy is ensured

Privacy of your conversation is ensured: DECT™ security-certified headset.
