22" (21.5" viewable) Full HD 10-Point Touch Display

Frameless SuperClear® IPS-Type Panel & Versatile Connectivity

TD2230

Laid flat or angled for customized comfort, this display delivers touchscreen versatility to the max. Offering fantastic flexibility for retail, education, or business settings, the ViewSonic® TD2230 is a 22" (21.5" viewable) Full HD display with 10-point multi-touch functionality. Delivering adjustable positioning, wide-angle viewing, and a durable design, the TD2230 has everything to accommodate your unique needs. Adding even more convenience, cross-compatibility with a wide range of operating systems includes Windows® 10, and certain Android™ and Linux® versions. With a sleek edge-to-edge screen and frameless bezel, this intuitive touchscreen performs like your favorite tablet or smartphone to deliver a highly accurate, ultra-responsive touch experience ideal for interactivity in public environments, kiosk and wayfinding applications, classroom settings, and more.
