

EPSON®
EXCEED YOUR VISION

Epson Stylus™ CX9300F

All-in-one printer, scanner, copier and fax with LCD viewer.

Maximise your productivity at home or in the office with the Epson Stylus CX9300F. It features an automatic document feeder for fast multi-page scanning, copying and faxing.

The Epson Stylus CX9300F four-in-one offers one compact solution for the home or small office. Multi-page scanning, copying and faxing is made quick and easy with the built-in automatic document feeder. 2.5 inch LCD viewer can be used for PC-free photo printing, copying and sending faxes.

Epson's latest generation of DURABrite™ Ultra Ink provides glossy photos, and is resistant to water, smudging and fading. It is also cost-effective due to individual ink cartridges.

30-page automatic document feeder – fast multi-page scanning, copying and faxing.

PC-free photo printing – print photos via memory card or a PictBridge digital camera.

2.5 inch LCD viewer - copy, fax and print photos without a PC.

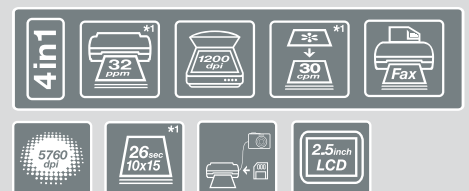

Low cost individual ink cartridges - because the Epson CX9300F uses affordable individual ink cartridges you only need to replace the colour you use.

High-speed black and white and colour faxing – as fast as 3 seconds per page using the 33.6 kbps modem.

High print speeds - print at up to 32 pages per minute in black and white and colour.

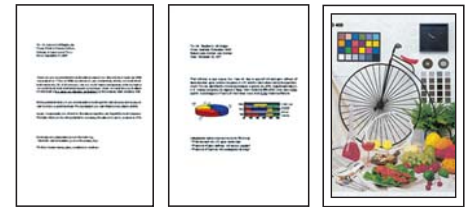

Key Benefits:

- Print, scan, copy and fax from one compact solution.
- Automatic document feeder for fast multi-page scanning, copying and faxing.
- Save money with individual inks – only replace the colour you use.
- Superb quality with long lasting Epson DURABrite Ultra Ink.
