Product Description

Category	Gaming
SubCategory	Gaming - Console
Product Family	Gaming - Console
Product/Service Category	Gaming - Console
Product Heading/Tagline (ie. 25-Word Description)	Unrivaled Audio. Unbeatable Comfort and Reliability. Fully Wireless. Welcome to the A20 Experience.
Feature Benefits	Experience audio exactly as developers intended with ASTRO Audio, delivering amplified Stereo sound and 40mm driver audio fidelity tuned specifically for a competitive edge. Durable construction forged in premium, damage-resistant materials gives you a wireless headset created to withstand wins, losses, and everything in between. With up to 15+ hours of battery life, you can game free knowing your gear can keep up with you on marathon gaming sessions. Flexible, lightweight materials with cloth ear cushions and headband means you never have to worry about headset fatigue shutting your game down before you're ready. The ASTRO Command Center software allows you to tune every input and output parameter including mic level adjustments. Create custom EQ modes so you're always locked into the best gaming audio experience.
