Description

The equip® 13"-32" Articulating Monitor Tabletop Stand offers a versatile and space-saving solution for displaying monitors ranging from 13 to 32 inches in size. Designed to sit on a tabletop, this stand provides flexible articulation, allowing you to adjust the monitor's tilt, swivel, and rotation angles for optimal viewing comfort. With a sturdy and stable construction, it securely holds your monitor while maximizing desk space.

This stand is a great choice for various environments such as offices, home workstations, or gaming setups, providing ergonomic benefits and enhancing productivity. Its integrated cable management keeps cords organized and reduces clutter. The stand's compatibility with a range of monitor sizes and its adjustability make it suitable for different tasks and preferences. Whether you're working, browsing, or enjoying multimedia content, the 13"-32" Articulating Monitor Tabletop Stand offers an efficient and adaptable way to position your monitor for an improved overall experience.
