INK BOTTLE COMPATIBILITY

INK BOTTLE YIELD DATA

Included	8,100 pages*	6,500 pages*
Replacement	4,500 pages*	7,500 pages*

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit <http://www.epson.eu/pageyield>

1. Based on Epson calculations, the average cost per page saving and the average number of inkjet cartridges required to print the same number of pages as the Epson EcoTank "101" and "103" ink bottles. Comparison between the average yield (A4 prints of ISO/IEC 24711) of EcoTank "101" and "103" bottle series and the genuine consumables (IDC, Hardcopy Peripherals Consumables Tracker, 2020 shipments, published Q1 2021) used within the 25 best selling consumer A4 inkjet cartridge printers below EUR 100 (exc. tax) in Czech Republic, Hungary, Poland and Turkey (IDC, Quarterly Hardcopy Peripherals Tracker, 2020 shipments, published Q1 2021). Cost per page calculated by dividing the relevant bottle/cartridge sales revenue and the total yield by the unit sales.

2. Based on print volume of 100 A4 pages per month and the lowest yield produced from the included set of inks.

3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower.

4. Epson Smart Panel and Epson Creative Print apps require a wireless connection. Epson Email Print and Epson Remote Print Driver require an internet connection. For more information, supported languages and devices, please visit www.epsonconnect.eu

5. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit the Epson website
