

TechGuard® CONNECT CHARGING LOCKERS

Mobile device locker that combines charging in every bay, keyless access control, and flexible power options. All centrally managed from Bretford Connect, a powerful cloud-based software management platform.

BRETFORD CONNECT

Our cloud-based software allows organizations to remotely configure lockers, provision and manage the loaning of devices, and access real-time usage logs.

BUNDLED SOFTWARE

First 3-year software subscription is included with each TechGuard Connect Locker.

KEYLESS ACCESS

Store and secure devices with RFID ready technology. Includes full-color graphic touchscreen display with PIN-enabled access.

ADAPT TO YOUR WORKFLOW

TechGuard Connect features Assigned, Shared and Check-In/Check-Out modes to adapt to the specific needs of your workflow.

YOUR PRODUCT. YOUR IDENTITY.

Choose from one of our 16 colors and personalize by branding with your own logo.

POWER IN EVERY BAY | The flexible design allows you to choose your power, connection and security.

NETWORK READY SPACE | Each locker provides ample room to accommodate network switch for device updates and management functions.

DEVELOPER APIS | Build integrations with your existing IT systems and infrastructure using powerful Bretford Connect APIs.

The TechGuard® Connect Locker is designed with flexibility in mind. Each locker is built-to-order, with industry-best lead times, so you can choose exactly the hardware configuration you need for your environment. For more information contact sales@bretford.com
