Model: Stealth™ 600 Gen 2 MAX for Xbox

SETUP FOR XBOX CONFIGURATION POUR XBOX

1 Put the transmitter into "XBOX" mode.
Mettre l'émetteur en mode "XBOX".

2 Connect transmitter to USB port.
Connecter l'émetteur au port USB.

3 Power on headset.
Allumez le casque.

4 Wait for headset & transmitter to pair.
Attendez que le casque et l'émetteur soient appariés.

SETUP FOR USB MODE CONFIGURATION POUR LE MODE USB

1 Put the transmitter into "USB" mode.
Mettre l'émetteur en mode "USB".

2 Put the transmitter into your platform's USB-A port.
Insérer l'émetteur dans le port USB-A de votre plateforme.

3 Power on headset.
Allumez le casque.

4 Wait for headset & transmitter to pair.
Attendez que le casque et l'émetteur soient appariés.

Regulatory Compliance Statements for the EAR FORCE Stealth™ 600X Gen 2 MAX

Models: Stealth600X-MAX-RX & Stealth600X-MAX-TX

Local Restrictions on Radio Usage
Caution: Due to the fact that the frequencies used by wireless devices may not yet be harmonized in all countries, these radio products are designed for use only in specific countries, and are not allowed to be operated in countries where they are not permitted. As a user of these products, you are responsible for ensuring that the products are used only in the countries for which they were intended and for verifying that they are configured with the correct selection of frequency and channel for the country of use. Any deviation from the permissible power and frequency settings for the country of use is an infringement of national law and may be punished as such.

To determine whether you are allowed to use your wireless network device in a specific country, please check to see if the radio type number that is printed on the identification label of your device is listed in the manufacturer's OEM Regulatory Guidance document at the following <http://www.turtlebeach.com/homologation> or contact Turtle Beach directly.

Federal Communications Commission (FCC) Compliance Notices
This section includes the following FCC statements for the Stealth600X-MAX-RX & Stealth600X-MAX-TX:

- FCC ID: XBR-2362-RX & XBR-2362-TX
- RF Radiation Exposure & Hazard Warning
- Class B Interference Statement
- Non-Modification Statement

Class B Interference Statement
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution:
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

RF Radiation Exposure & Hazard Statement
To ensure compliance with FCC RF exposure requirements, this device must be installed in a location such that the antenna of the device will be greater than 2 cm (0.8 in.) from all persons. Using higher gain antennas and types of antennas not covered under the FCC certification of this product is not allowed. Installers of the radio and end users of the product must adhere to the installation instructions provided in this manual. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

Non-Modification Statement
Use only the supplied internal antenna. Unauthorized antennas, modifications, or attachments could damage the Stealth600X-MAX-RX & Stealth600X-MAX-TX and void FCC regulations. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. Please contact Turtle Beach for a list of approved 2.4 GHz antennas.

This product is compliant with the Consumer Product Safety Improvement Act of 2008, Public Law 110-314 (CPSIA)

IMPORTANT
PLEASE MAKE SURE YOUR HEADSET
IS UPDATED WITH THE LATEST FIRMWARE.

IMPORTANT
VEUILLEZ VOUS ASSURER QUE VOTRE CASQUE
DISPOSE DE LA DERNIÈRE VERSION DU MICROLOGICIEL.

Connect to the **Turtle Beach Audio Hub** for **Windows** or **Mac®** to update firmware.

Connectez-vous au **Turtle Beach Audio Hub** pour **Windows** ou **Mac®** afin de mettre à jour le micrologiciel.

Canadian ICES Statements
IC: 3879A-2362-RX & 3879A-2362-TX (Stealth600X-MAX-RX & Stealth600X-MAX-TX)
This device complies with ICES-003 and RSS-247 of Industry Canada. Operation is subject to the following two conditions:
1. This device may not cause interference, and
2. This device must accept any interference, including interference that may cause undesired operation of the device.

Ce dispositif est conforme aux normes NM0003 et CNR-247 d'Industrie Canada.
L'utilisation de ce dispositif est autorisée seulement aux conditions suivantes:
1. Il ne doit pas produire de brouillage et l'utilisateur du dispositif doit être prêt à accepter tout brouillage radioélectrique reçu, même si ce brouillage est susceptible de compromettre le fonctionnement du dispositif.

To prevent radio interference to the licensed service (i.e. co-channel Mobile Satellite system) this device is intended to be operated indoors and away from windows to provide maximum shielding. Equipment for its transmit antenna that is installed outdoors is subject to licensing and not supported by Stealth600X-MAX-RX & Stealth600X-MAX-TX.

Pour éviter les interférences radio au service agréé (i.e. système par satellite mobile co-canal), cet appareil est destiné à fonctionner à l'intérieur et à l'éloignement des fenêtres pour assurer un blindage maximal. L'équipement (ou son antenne d'émission) installé à l'extérieur est soumis à l'octroi de licence et n'est pas pris en charge par les modèles Stealth600X-MAX-RX & Stealth600X-MAX-TX.

RF Radiation Exposure & Hazard Statement
To ensure compliance with FCC RF exposure requirements, this device must be installed in a location such that the antenna of the device will be greater than 2 cm (0.8 in.) away from all persons. Using higher gain antennas and types of antennas not covered under the IC certification of this product is not allowed. Installers of the radio and end users of the product must adhere to the installation instructions provided in this manual. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

Exposition aux radiations RF & Mention de danger
Pour assurer la conformité avec les exigences RSS-102 d'exposition aux RF (Radio Fréquences), cet appareil doit être installé dans un endroit où l'antenne de l'appareil sera située à une distance de plus de 2 cm (0,8 po) de toutes personnes. L'utilisation d'antennes à gain plus élevé et les types d'antennes qui ne sont pas couverts en vertu de la certification IC de ce produit n'est pas autorisée. Les installateurs de la radio et les utilisateurs du produit final doivent se conformer aux instructions d'installation fournies dans ce manuel. Cet émetteur ne doit pas être co-implanté ou exploité en conjonction avec toute autre antenne ou transmetteur.

European Union and European Fair Trade Association Regulatory Compliance
This equipment may be operated in the countries that comprise the member countries of the European Union and the European Fair Trade Association. These countries, listed below, are referred to as the European Community throughout this document:
Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, United Kingdom, Iceland, Liechtenstein, Norway, Switzerland

Warning! This is a Class B product. In a domestic environment, this product may cause radio interference, in which case, the user may be required to take appropriate measures.
Attention! Dieses ist ein Gerät der Funkstörgerienverklasse B. In Wohnbereichen können bei Betrieb dieses Gerätes Rundfunkstörungen auftreten, in welchen Fällen der Benutzer für entsprechende Gegenmaßnahmen verantwortlich ist.
Attention! Ceci est un produit de classe B. Dans un environnement domestique, ce produit risque de créer des interférences radioélectriques, il appartient alors à l'utilisateur de prendre les mesures spécifiques appropriées.

This symbol on the product or its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste for recycling, please contact your local authority, or where you purchased your product.
Turtle Beach Europe Ltd is obligated as a producer with a main activity of selling under The Producer Responsibility Obligations (Packaging Waste) Regulations 2007. To fulfil our obligation we are registered with Comply Direct and their Recycling Room. Here you will find advice and information on packaging waste management, recycling symbols and the waste hierarchy principles of reduce, reuse and recycle.

To access the rating label: Pour accéder à l'étiquette :

1. Remove the left ear pad by pulling the ear pad straight up using your thumb.
 1. Retirez le coussinet gauche en le tirant vers le haut à l'aide de votre pouce.
-
2. Once you've released the cloth from the lip on top, pull the ear pad straight back and it should slip right off.
 2. Une fois le haut du tissu dégage, tirez le coussinet vers vous pour le retirer facilement.
-

To replace the ear pad, follow the same process in reverse. Pour remettre le coussinet en place, veuillez suivre la procédure inverse.

SUPERHUMAN HEARING™

Use Superhuman Hearing™ Mode to pinpoint quiet audio cues like enemy footsteps and weapon reloads. During gameplay, you can activate and deactivate Superhuman Hearing™ by pressing the **POWER** button **once, quickly**.

Le mode Superhuman Hearing™ permet d'entendre le moindre son, comme les pas d'un adversaire ou le rechargement d'une arme. Pendant le jeu, vous pouvez activer ou désactiver Superhuman Hearing™ en appuyant une fois sur le bouton d'alimentation rapidement.

Microphone Mute
Flip up mic to mute. There is an audible tone when the mic is muted or unmuted.

Mode muet
Relevez le microphone pour le désactiver. Vous entendrez un son lorsque le microphone est désactivé ou activé.

USB TRANSMITTER COMPATIBILITY COMPATIBILITÉ DE L'ÉMETTEUR USB

The USB-A transmitter is equipped with a switch that allows you to change compatibility modes.

L'émetteur USB-A est équipé d'un bouton qui permet de changer les modes de compatibilité.

XBOX MODE	USB MODE
Xbox Series X S	PS5™ & PS4™
Xbox One	Windows PC/Mac®
	Nintendo Switch™*

*Nintendo Switch™ wireless compatibility supported while in docked mode only. Chat available for games that support in-game chat capabilities.
*La compatibilité sans fil de la Nintendo Switch™ est assurée en mode téléviseur uniquement. Le chat vocal est uniquement disponible pour les jeux compatibles avec ces fonctionnalités.

RE-PAIRING NOUVEL APPARIAGE

1. From Off, press and hold the **POWER** button on the headset until the LED starts flashing rapidly.
 2. Insert the transmitter into the console.
 3. Press and hold the pin-hole button on the side of the transmitter until the LED starts flashing rapidly.
 4. After a few moments, the headset and transmitter LEDs will become solid, indicating a successful pairing.
-
1. Depuis la position éteinte, maintenez le bouton d'alimentation du casque appuyé jusqu'à ce que le voyant clignote rapidement.
 2. Insérez l'émetteur dans la console.
 3. Maintenez le bouton en trous d'aiguille sur le côté du émetteur appuyé jusqu'à ce que le voyant clignote rapidement.
 4. Après quelques instants, le voyant du casque et de l'émetteur émettra une lumière fixe, signalant ainsi que l'appariage a réussi.
