## Antimicrobial Wired Kids Keyboard and Mouse Combo

The Adesso Kids keyboard combo offers two funny & colourful input devices with a 6 ft USB cable. These designed devices are made with antimicrobial material which prevents the growth and spread of harmful bacteria. This combo features a fun and educational way to introduce children to the world of computers with a hygienic approach. Kids of an ever younger age are learning how to use computers but are sometimes hindered by the standard keyboards aimed at adults. Make learning fun for your child with this excellent product.

### ■ Antimicrobial

Made with antimicrobial material which prevents the growth of harmful bacteria and protects against the buildup germs between washings.

### ■ Fluorescent 4X Size Print Keys

The large 4X size black print on fluorescent yellow keys provide excellent contrast and larger appeal over traditional keyboards that have small white letters on dark black keys.

### ■ Multimedia Controls

Control your media player with just one touch using the built in Multimedia Hotkeys for easy access to your favorite video music playlist.

### ■ Optical Sensor

This wireless mouse equipped with a 1000 DPI optical sensor offers more precision, accuracy and comfort than most traditional optical mice.
